## ABOUT

Alhamdulillah, with Allah's permission and tayseer, Qahwa has hit the ground running since we've opened in December 2021. Our main objective of bringing the youth back to the masjid and making the youth programming relevant and self-sustainable is coming to fruition by Allah's will and blessing! Despite initially operating in a limited capacity due to COVID and other limitations, we've far exceeded our initial financial projections and reinvigorated the youthful culture of ADAMS. We have grossed over \$85.5K in sales and sold over 24,000 items. We've employed over 15 part-time staff, and 1 full-time staff, most of which are youth from our community!

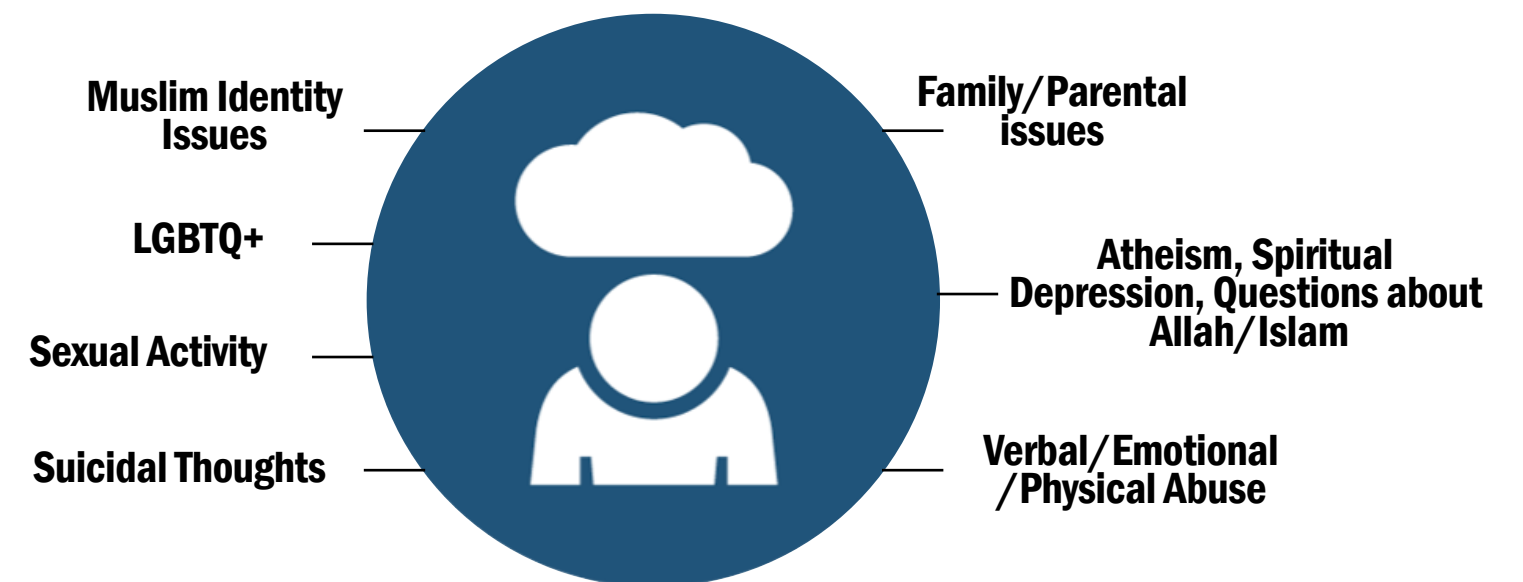

## ADAMS YOUTH

Members who once felt disconnected from ADAMS are reaching out asking to get involved. Guests from other local masajid are attending our events and asking to volunteer and become part of ADAMS. Public speakers and Muslim influencers are reaching out and asking us to host events and activities. Several national masajid have reached out and asked for our consultancy in helping them build their own coffee shops and youth centers. Local Muslim businesses are reaching out regularly and soliciting Qahwa to offer their products and services. We are actively collaborating with other institutes on program development and outreach. The Qahwa Instagram account has almost 2,400 followers with millions of impressions, surpassing many of our other social media accounts that have been active for years! Allah has truly blessed this community and especially this effort, Alhamdulillah!

ADAMS Outreach – Interfaith, MultiFaith, Intra-Muslim, Government Relations, Civic Engagement, Media Relations. Over 600+ events/programs/-meeting/activities a year

ADAMS Outreach Department has been actively involved in representing ADAMS community throughout the DMV area. At this time, it is crucial to have Muslim representation at different events, round table discussions, interfaith dialogues, panel presentations, media interviews, host delegate visits to the ADAMS Center and one on one human interactions in order to accurately represent our community as one that is Muslim and American. Being visible and part of the discussion is allowing us to affirm our own narrative which in turn is giving us the opportunity to be part of some key decision-making processes that are directly impacting our community and helping all for the common good.

ADAMS BEAT is America's first Masjid choir! It was founded on March. 1, 2016 with the leadership of Imam Magid and Hurunnessa Fariad as the Music Director. The choir started with 20 kids (boys and girls) ranging from 7 years old - 14 years old. Today there are 42 kids in the choir.

They sing nasheeds, patriotic songs and popular pop culture songs that promote good values and a positive message. ADAMS BEAT has become a staple at Interfaith events and at events which promote social advocacy and justice. Some of their performances include:

The Grand Opening event was attended by a large Muslim and interfaith communities of Loudoun and Fairfax counties, ADAMS leadership, state and county officials, and religious leaders from various interfaith groups.

ADAMS Ashburn was established in 2003 and moved to 21740 Beaumeade circle, suite 100-B, Ashburn, VA 20148 in May 2009. It was the first full-service branch of ADAMS and sharing space from Jewish Congregation BCRC.

The new building will accommodate the growing Ashburn community. ADAMS has committed to building the Leesburg masjid for all the Leesburg Muslim community. With that intention and commitment the groundbreaking ceremony took place on Saturday August 28, 2021 with Br. Abdul Basir Ghanizada, Sr. Nahid Ghanizada, Imam Mohamed Magid, Br. Syed Mokhtar, and many other local officials and community leaders speaking at this historical event. ADAMS Leesburg had Friday prayers at two locations with 3 total prayers.

Every week more than 200 members attend prayers. ADAMS appointed a transition team and then a 20+ member Leesburg Branch Operations Committee

Allah says in Surah Al-'Imran, Ayah 103: "And hold firmly to the rope of Allah and do not be divided." In the spirit of this message from Allah, Muslim Community Center of Leesburg (MCCL), founded and led by Br. Abdul Basir Ghanizada, joined hands with the All Dulles Area Muslim Society (ADAMS) to become the official Leesburg Branch of ADAMS. It was officially announced at Eid al Adha 1442 prayers on Tuesday July 20, 2021.

The future looks bright for Leesburg, Al-Hamdulillah. We pray to Allah to make the construction easy and swift so we can continue to grow and expand the programming and services for the Leesburg Muslim community. May Allah reward all the staff, volunteers, khateeb, community members and all who contribute! Ameen!

### Religious

Weekly Juma'h prayer at one location

### Education

Approximately 66 CEP students are receiving Islamic education from the Virtual Sunday school; the classes are held from 10 am to 5 pm on Sundays.

ADAMS Gainesville kept its faith strong during the pandemic and continued its journey to fulfill ADAMS mission and vision by serving the community using all the available and possible channels.

**Religious:** ADAMS Gainesville took all necessary measures for the safety of community by strictly following CDC and ADAMS guidelines on all gatherings. During the first eight months of 2021, ADAMS Gainesville continued to hold outdoor Jumma prayers at Linton Hall School. We then moved back to Wyndham gardens in Manassas after the widespread availability of COVID vaccines and continued to use masks and followed social distancing.

We also prayed Taraweeh in person with masks and followed social distancing guidelines at Linton Hall School.

**Islamic Education:** ADAMS Gainesville knows the importance of Islamic education and we continued in providing virtual Sunday School classes to approximately 100 students. We moved back to Battle Field High School with wearing masks and followed social distancing during the second half of 2021.

**Social Activities:** During the pandemic, the community felt isolated so we arranged several virtual town halls and outdoor events. We also arranged several community potlucks with social distancing.

**Masjid Construction:** ADAMS Gainesville didn't let the pandemic slow down the efforts for building our Masjid. We continued working hard on building architecture and design of ADAMS Gainesville Masjid. During the pandemic, ADAMS Construction committee had been diligently working with various contractors (architectural group, wetlands management, civil engineering firms), Prince William County, and legal experts to complete all prerequisites for obtaining all required permits for starting actual construction. Alhamdulillah, ADAMS Gainesville did break the ground in the summer of 2021 after getting the permit to hold that event.

**Donations:** We knew that community is going through hard times during the pandemic, so we held few virtual town hall meetings to provide Masjid construction and other important community updates. We also held virtual and physical fund-raising events in 2021.

The ADAMS Sully Center consists of the Musallah (for religious services), the Sully Sunday School (CEP and YEP) and hosts the Adams Compassionate Healthcare Network Clinic. It also has some spaces to support youth activities and other community entertainment events. The following is a summary of the activities supported at the center for the year 2021.

**Religious:** Daily salah and weekly Jumaa started at the beginning of the year, as we began holding three daily prayers and by spring 2021 five daily prayers were held including 3 sessions of Jumaa prayers every Friday. Strict masking mandates were advocated and enforced. Donations towards masks were received from donors which helped with masking enforcement throughout the year. Following are additional details on religious activities provided to the Sully community and others.

- Jumaa prayers: we are currently managing six Jumaa prayers each Friday in two locations: Sully Center with four Jumaas and Home2Suites in South Riding with two Jumaas. NOTE: Sully South Riding Masjid is in the process of negotiation with the donor of the land.

- Sully Ramadan Prayers: we held two Taraweeh prayers simultaneously during Ramadan at Sully Center accommodating approximately 175-200 people and Home2Suites accommodating approximately 75-100 people Note: Sully has provided food, accommodation, and miscellaneous expenses of five Huffaz, who came from the State of Michigan to lead Ramadan Taraweeh at the two locations (Home2Suites South Riding and Sully Center Musallah).

- Sully Eid-ul-Fitr prayer and Sully Eid-ul-Adha prayer was held at Dulles Expo center with an approximate attendance of 8,000 people.

**Islamic Education:** The Sully Sunday school which went online for the 2020/21 session due to the pandemic and was brought back to physical attendance for the 2021/22 session. We hired additional staff (teachers) to support six classes for CEP and one class for YEP. The number of students in attendance surpassed 120. The adult education program continued with weekly online Quran Tajweed class on Wednesdays and Saturdays. Quran Halaqah taught by Imam Saeed was every Sunday after Fajr.

**Social Activities:** The COVID-19 pandemic impacted social events during 2021. With the vaccination successes towards the end of 2021, Sully was able to host a few social gatherings with masking requirements enforced.

**ACHN Clinic:** Sully Center also hosts the ACHN clinic which has been busy with vaccination efforts. The successes achieved with a significant number of our community members as well as others being vaccinated at the clinic. The clinic continues to support patients and vaccinations while Sully Center maintains the facility and related utility expenses. We are glad to be part of that effort to the community and others in need.

## IMAM'S MESSAGE

To My Dear Community,  
Asalaamalaikum wa Rahmatullahi wa Barakatuhu!

The year 2021, although we were not able to fully resume normal operations, was a year of great progress towards getting our community through the pandemic and the challenges that befell us in 2020 Alhamdulillah.

This year Alhamdulillah we were able to play a major role in vaccinations to protect our community. I sincerely appreciate the efforts of the volunteers, nurses, doctors, and staff who helped vaccinate thousands of people at our clinic and mosque. I also cannot thank our community members enough for your continued patience and collaboration this year in following safety guidelines and I am confident it helped save many people's lives.

I also appreciate the efforts of our Imams Shaykh Abd'Ar-Rafaa, Shaykh Tidiane and all of our prayer leaders and khateebbs for leading our prayers and religious services under difficult circumstances. Our staff and volunteers continued to offer educational programming and vital social services to help re-energize and provide assistance to those in need in our community.

The opening of our ADAMS Youth Center and Qahwa Café is a major achievement and highlight of our year Alhamdulillah. The immense amount of effort and dedication to making this possible is a beautiful example of teamwork and collaboration towards a common goal of connecting our youth to our masjid. The youth will always be the backbone of our community and I thank Allah (swt) that we now have a beautiful space for them to enjoy the company of their fellow Muslim peers and educational programming as well as arts and sports activities.

Insha'Allah, we hope to overcome this pandemic and may this year be the year of hope and optimism. We ask God Almighty to heal the world from this pandemic and from all injustices inflicted upon many around the world. I appreciate all of the support and commitment our community has given to the masjid both financially and by volunteering. Insha'Allah together we will continue to do more to serve our community and the larger society. May Allah(swt) bless us with health, unite our hearts, and increase our love for and the ability to practice the teachings of our Beloved RasoolAllah(saaw). Ameen!

**Imam Mohamed Magid**

## PRESIDENT'S MESSAGE

Dear Community – Assalamu Alaikum,

Peace and blessings of Allah upon you and your families as we begin the new Islamic year in this blessed month of Muharram.

Alhumdulillah, by the grace of Allah (SWT), ADAMS continues to navigate the organization during this pandemic by continuing to expand the services to the community. We thank Allah (SWT) for giving us such a dedicated staff, dedicated organizers, committed volunteers, and a truly active and focused Board of Trustees. We continue to reach out to many donors to support us as we emerge from some of the financial shortfalls we have experienced throughout the past several years, and MashaAllah, they have answered the call exceeding all expectations!

ADAMS would not be functioning without Allah (SWT)'s will and your support, and we sincerely thank you for your commitment. Many families in our community have been going through some very difficult times, both financially and emotionally, and ADAMS has tried to help in many ways by conducting various halaqas for our elders and adults, our youth, and our children through special activities, food drives and other assistance efforts.

We continue to engage with our Interfaith partners, Government & Law Enforcement officials to keep up with the ways of serving you and notifying you of any changes on the local, regional and national level. ADAMS Executive Committee and Board of Trustees meet on a regular basis as your elected officials of the organization, to better plan and execute programs by keeping safety and minimizing risks for the protection of the community, which remains as our highest priority. This year and beyond, we look towards opening the Gainesville and Leesburg masjids, InshaAllah. We will work to improve our programming, especially to our Youth, and provide the best that this community has to offer to fulfill our vision and mission by the will of Allah (SWT).

Jazakum Allahu Khairan for your continued generosity and your confidence in us to serve you. Some of our notable achievements over the past 18 months here at ADAMS are provided below.

Wassalamu Alaikum.

Syed Muktadir, President
